Notice

The performance chart covers the period commencing on April 21, 2017 and ending on December 31, 2022. The performance data relate to past periods and they incorporate all fees and costs paid for from the assets of the fund, with the exception of potential entry and exit fees. Performance fee of up to 20% from positive economic result before tax for respective accounting period can be applied, due for payment at the end of the period. The data have been provided by Raiffeisen investiční společnost a.s.

The performance chart of the investment instruments in the Fund portfolio covers the period commencing on April 21, 2017 and ending on December 31, 2022. The performance data relate to past periods and they do not include fees or costs. The development of foreign currency positions is converted from the above currencies into Czech crowns making use of the current exchange rate issued by the Czech National Bank; the yield may increase or decrease due to exchange rate fluctuations. The source of the data is the Bloomberg system.

Past performances do not represent reliable indicators of future results. The value of investments and relating yields may fluctuate and return on originally invested amounts cannot be guaranteed. The full name of the fund and any additional information, including that about fees related to and risks inherent in investments, the relevant key information and the Prospectus of the Fund are available in Czech on the following address: www.rfis.cz.
